

Memorial Newsletter November 2014

The school year is in full swing and our students are adjusting well to the new school year. The children have been spectacular in adapting to the busy schedule and having so many more new friends to “check out.” I encourage all parents to come in and sign-up to lend a helping hand during lunch and breakfast times especially. These are very busy times with all of our students being able to enjoy “FREE” meals. Our little people need help with opening milk cartons, putting ketchup and mustard on their hamburgers and hotdogs, and stacking trays. Please get your volunteer form completed and come be a part of your child’s education. I would like to thank our volunteers. You all are important at Memorial Elementary and we appreciate your level of parental involvement and our volunteers’ efforts. We look forward to your continued support.

Our students and staff continue their hard work as the school year progresses. We will soon start the second marking period (11/2), report cards will be given out at conferences. Please continue to encourage your student to work to his/her full potential. Attending school regularly also is beneficial to the educational process. Good attendance and a strong work ethic are habits we strive to instill in our students.
